

8th EuPRA

The 8th international peace conference under the title of “Building Positive Peace in Europe and Its Neighborhood” was organized by European peace association (EuPRA) and hosted by Eastern Mediterranean University. The conference was organized in 8 sessions with participation of the scientist from over 20 different countries.

Professor Dr. Norton Mezvinsky the president of USA international Middle-East studies council and Professor Dr. Hanne-Margret Birckenbach from Justus Liebig University in Germany were 2 of the main speakers of the conference.

8th EuPRA

Founder of the Inter-Continental Concerts (I.C.C), Shahed Mohseni Zonoozi and Sam Mosallaeipour also participated in this conference to present the contribution of their project in peace development as the main concept of I.C.C is to make and develop sympathy among people with different cultures and backgrounds.
